

## Tomorrow is far too distant

We are living without noticing  
that this moves towards eternity

Watch me today  
Tomorrow is distant

Laugh with me today  
Tomorrow is distant

Sing with me today  
Tomorrow is  
Tomorrow is distant

Caress me today  
Tomorrow is distant  
distant

Dance with me today  
Tomorrow is distant

Embrace me today  
Tomorrow is distant

Kiss me today

Love me today  
Tomorrow is distant

Speak that word today  
Tomorrow is far too distant
